

Drive Refreshed

Take 5 and be present behind the wheel

www.MowerRefreshed.org

Thinking differently behind the wheel...

Pause for 5 seconds, get present, and consider reasons to make it a safe drive before turning on the ignition.

Educating and equipping drivers...

Reduce the amount of accidents related to unsafe driving practices through interactive tools and events.

Our partners

Towards Zero Deaths, Safe Communities Coalition, Austin Area Drug Task Force, Parenting Resource Center and Riverland Community College Nursing Students
